N.B.—The question of appointing successors to the deceased members is under correspondence.

I. Read the details of accounts of receipts and expenditure for the months of July, August and September 1905.

Resolution—Recorded.

II. Read Government Order No. 7027-35—L. B. (275-05)-2, dated 6th January 1906, calling for the Board's opinion in the matter of awarding annually prizes to patels who keep their village very clean and tidy.

Resolution.—The patels are bound to keep their villages clean with the help of the villagers and the village servants. A very small village could be easily kept clean by the village servants while a large village would tax all their energies to clean up and yet remain dirty unless with considerable help from the villagers themselves. There are many villages in which the patel and shanbhog are at variance and each has his own following. In them one party will strive their utmost to prevent the patel from securing the reward. Moreover, no village could be said to be clean unless the houses are also clean. The few streets of a village are usually cleaner than the ill-ventilated and crowded houses, the cleaning up of which would devolve upon the owners, and if then the patels are rewarded for it, the owners might resent it or claim a share in it. The Board, therefore, are diffident in concurring with the Bangalore District Board.

III. Read Executive Engineer's docket No. 975, dated 4th December 1905, forwarding the budget estimates for works to be done by the Public Works Department for 1906-07.

Resolution.—The figures be adopted for the next year's budget.

IV. Read the consolidated budget estimates of the Tumkur District Board for 1906-07.

Resolved that the budget be submitted to Government for sanction, due provision for the items noted below being made therein as decided already :—

Rs. 50 annual contribution payable to the Deaf and Dumb and Blind School at Mysore.
Rs. 10 per mile for the repairs of Amruthur-Huliyurdurga cart-track.
Rs. 500 for opening out roads to villages lying on the road-side and for maintaining the existing village roads.

V. *Resolved* that Teriyur in the Maddagiri Taluk is a better place for a musafirkhana, than Kodigenahalli and that the small chattram built there during the Amildari of Mr. Chowdaiya be improved at a cost of Rs. 300 and used as a musafirkhana for travellers.

VI. Proposed by the Executive Engineer that the inspection lodge at Borankanave be taken over to the District Funds.

Resolved that a musafirkhana is needed in those parts and that it would be profitable to the Board to take it up and repair it and use it as a musafirkhana for travellers, instead of building a new one, and that a sum of Rs. 500 be provided in the budget for its repairs as estimated by the Executive Engineer.

VII. Read Secretary's docket No 1151—L. B. 44 of 1904-1, dated 29th July 1905, regarding the construction of a musafirkhana at Kadaba.

Resolution.—The Board considered a musafirkhana in Kadaba very necessary and resolved that a sum of Rs. 4,000 be provided for it and that the estimate and plan therefor be called from the Executive Engineer, Tumkur Division.

VIII. Read Government Order No. 6206—L. B. 134-05-8, dated 11th December 1905 stating that the Board may revise their proposal regarding the levy of tolls on carts entering the towns of Tiptur, Gubbi and Bellavi.

Resolved that the matter be referred to the Executive Engineer for a modification of his original proposal.

IX. Read 2nd General Assistant Commissioner's yadi No. 321, dated 9th December 1905, forwarding Tiptur Taluk Amildar's report stating that the restoration of cattle-pound at Kannughatta, which is in a dilapidated condition, is not necessary as there are cattle-pounds in the villages of Erchanur, Tiptur, Nonavinkere and Arlakuppa, situated within a radius of four or five miles from Kannughatta and that it may be abolished.

Resolution.—Approved.

X. Read 1st General Assistant Commissioner's yadi, dated 8th February 1906, *in re* the formation of a road from Maddagiri to Hindupur, forwarding Maddagiri Taluk Amildar's report No. 456, dated 5th February 1906, stating that the Maddagiri townspeople as well as the raiyats of Teriyur and Kodigenhalli may in all probability contribute a sum of Rs. 400 towards the proposed road, and that as the road when formed will be made use of by some of the villages in the Sira Taluk, they may be also asked to contribute towards the same.

Resolved that the existing cart-track be improved. Funds do not permit of a new road.

3. Government Order No. 5881-92—L. B. 27-05-6, dated 4th December 1905, directing that the estimates for the special repairs of Local Fund roads and other works should be placed before Boards for sanction previous to countersignature by the Presidents.

4. Government Order No. 6433-41—L. B. 91-05-2, dated 19th December 1905, directing that Amildars need not be appointed *ex-officio* members of District Boards as Assistant Commissioners should fully represent the interests of the taluks in their charge.

5. Government Order No. 7187-98—L. B. 267-05-2, dated 10th January 1906, directing that in future all expenditure to be incurred on account of incomplete works of previous years should be met by re-appropriation from the existing grants in the budget, as no re-grant of lapses is admissible under budget rules.
